Subject: Arizona Veterans' Mission Group

To: Taryn Schultz <Taryn@arizonaveteransmissiongroup.org>

Good Afternoon,

Arizona Veterans' Mission Group is a 501c3 nonprofit organization. Arizona Veterans' Mission Group serves to diminish the challenges of those who have served our country. AVMG dedicates support through urgent need programs, community resources, mental health programs, law & legal programs, and veteran initiatives programs.

By collaborating with like-missioned partners, funding and support from corporate & individual partners, providing our direct-service programs, and being an advocacy partner to veteran's initiatives; we are steadfast in supporting our country's veterans. Arizona Veterans' Mission Group is diligently driven to diminish the current challenges that our veterans face. Our mission is to support veterans reflective of the gratitude we have as civilians, communities, and a country for their sacrifices and service.

By partnering with law firms, one of our five main focus pillars - Law & Legal programs - is able to offer the following free events (flyer attached). Please contact me should you be interested in scheduling an event. We are currently partnering with sponsors to provide the food, door prizes, and other complimentary items as part of the clinic.

Please let me know if you have any questions, or if I can assist with scheduling your group today. Thank you.

**Kind Regards,
Taryn Schultz**

**Executive Director
Arizona Veterans' Mission Group**
